5. On the back of this document, give a general description of proposed work, and the quantity and quality of materials to be used.

Contractor must file bond with City as required by Building Code.

Plan, specifications, drawings, and land survey must accompany application. Land survey must show location of proposed buildings, and property lines.

The undersigned does hereby declare that the statements contained in this document and on the reverse side hereof, are true and correct to the best of his or her knowledge, information and belief.

\_\_\_\_\_  
Owner or Agent

The gutters shall be kept clear at all times, and free from obstructions, and the streets and sidewalks to be used in accordance with the Rules, Regulations and Ordinances of the city. In case of removing or repairing a building, the owner or builder thereof will not be permitted to throw any rubbish into the street, but in all cases it shall be removed as the City Engineer may direct. Whenever the foregoing conditions are not complied with, this permit shall be null and void. It shall also be null and void in all cases whenever it conflicts with the Rules, Regulations and Ordinances pertaining to the fire limits of the city, or whenever the builder or owner fails to comply with the same.

All SURPLUS OR USELESS MATERIAL must be removed FORTHWITH by the owner or builder, the former being regarded as responsible for any failure that may occur in this respect.

**NOTICE - This permit is issued with the distinct understanding that the building for which this Permit is issued is to be built in strict accordance with the building laws of the City of South Pittsburg, Tennessee.**

Persons performing construction work under this permit must observe Tenn. Law. (Pub. Chap. 289 Acts of 1955) providing for precautions to be taken in vicinity of high voltage wires.

For \_\_\_\_\_ Chief Building Official

By \_\_\_\_\_ Date \_\_\_\_\_

**THIS DOCUMENT BECOMES THE BUILDING PERMIT WHEN SIGNED FOR OR BY THE CHIEF BUILDING OFFICIAL.**
