

# Free Training!

**Become Certified by the IRS to Prepare Taxes**

## **Gain a Valuable Skill and Help the Community**

Volunteer Income Tax Assistance Program (VITA) needs volunteers. Volunteer for a few hours each week and provide FREE TAX ASSISTANCE to your Low/Middle class neighbors.

**Call 423-520-0042 to get more information**

You will receive hands-on training and support. We will walk you through the training and there is always someone with you to answer questions as you assist the taxpayer with their return. The VITA software walks you through the return plus the VITA program mandates that every return be checked by another certified preparer so someone always has your back! It is a great learning process.

VITA is sponsored by the Urban League of Greater Chattanooga, IRS and the City of Chattanooga. The City of South Pittsburg is the newest partner with the Urban League and the first VITA site in Marion County. With your help we can assist many of our neighbors in South Pittsburg and the surrounding areas but to be successful we need your help.
